

ICNC 2019 People Power Course Pre and Post Surveys

The graphs below are from ICNC’s 2019 Online Course in partnership with Rutgers *People Power: The Strategic Dynamics of Civil Resistance*. Participants were asked to complete the same survey at the beginning of the course and at the end of the course. Each survey was divided into five sections. 23 participants completed both the pre and post course survey.

I. Civil Resistance Skills	2
II. Effectiveness of Engagement in Civil Resistance.....	8
III. Applicability & Relevance.....	13
IV. Civil Resistance Knowledge.....	20
V. Attitudes/Beliefs about Civil Resistance	24

I. Civil Resistance Skills

2. How actively involved are you in writing, researching, speaking, or teaching about civil resistance?

■ Pre Course

2. After having completed the online course, how much more likely are you to engage in writing, researching, speaking, or teaching about civil resistance?

■ Post Course

3. How actively involved have you been in leading or planning a civil resistance campaign in the last 3 months?

3. After completing the online course, how much more likely do you think you will become involved in leading or planning a civil resistance campaign?

4. How skilled do you think you are in planning or implementing a civil resistance campaign?

5a [pre course]. If you are involved in leading or planning a civil resistance campaign, please select the planning tools that you used as part of your engagement in civil resistance (education/training/practice) in the last 3 months? (Participants could

5b [post course]. In comparison to before the course, how likely are you to now use the following tools in a civil resistance campaign, training, or similar educational opportunity? (Participants could select multiple answers)

II. Effectiveness of Engagement in Civil Resistance

6. If you are currently participating in a civil resistance campaign, how effective do you think you are in achieving your campaign's stated objectives in your current training's and campaigns?

6. After having completed the online course, how much more effective do you believe you will be in achieving the stated objectives of your civil resistance training's or campaigns?

7. If you are actively involved in writing, researching, or teaching about civil resistance, how effective do you consider your work?

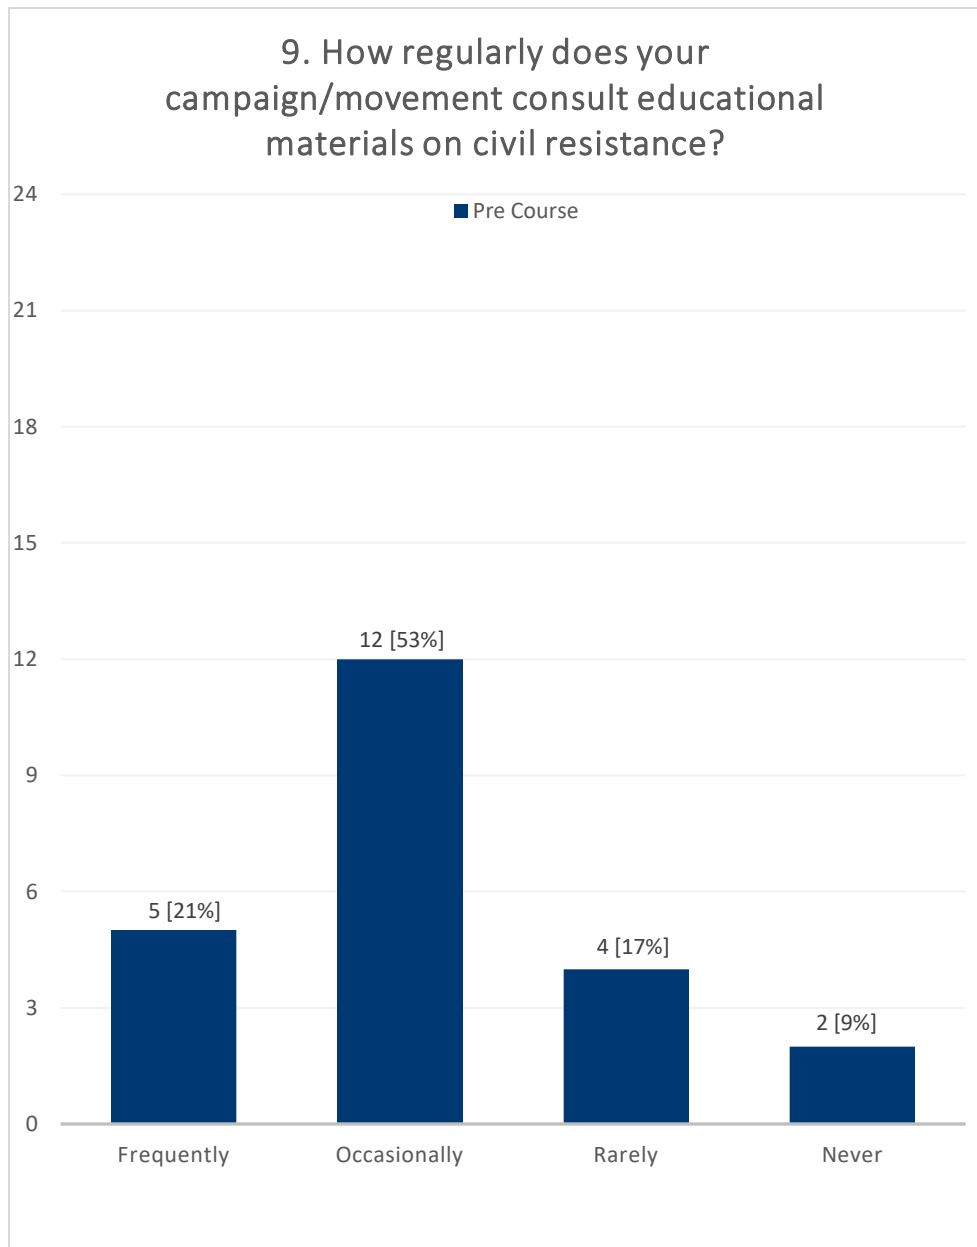

8. If you have participated in a civil resistance action in the last 3 months, how effective do you believe the action was in achieving its stated goal?

8. After having completed the online course, how effective do you believe your civil resistance actions will be in achieving their stated goals in comparison with their effectiveness prior to taking this course?

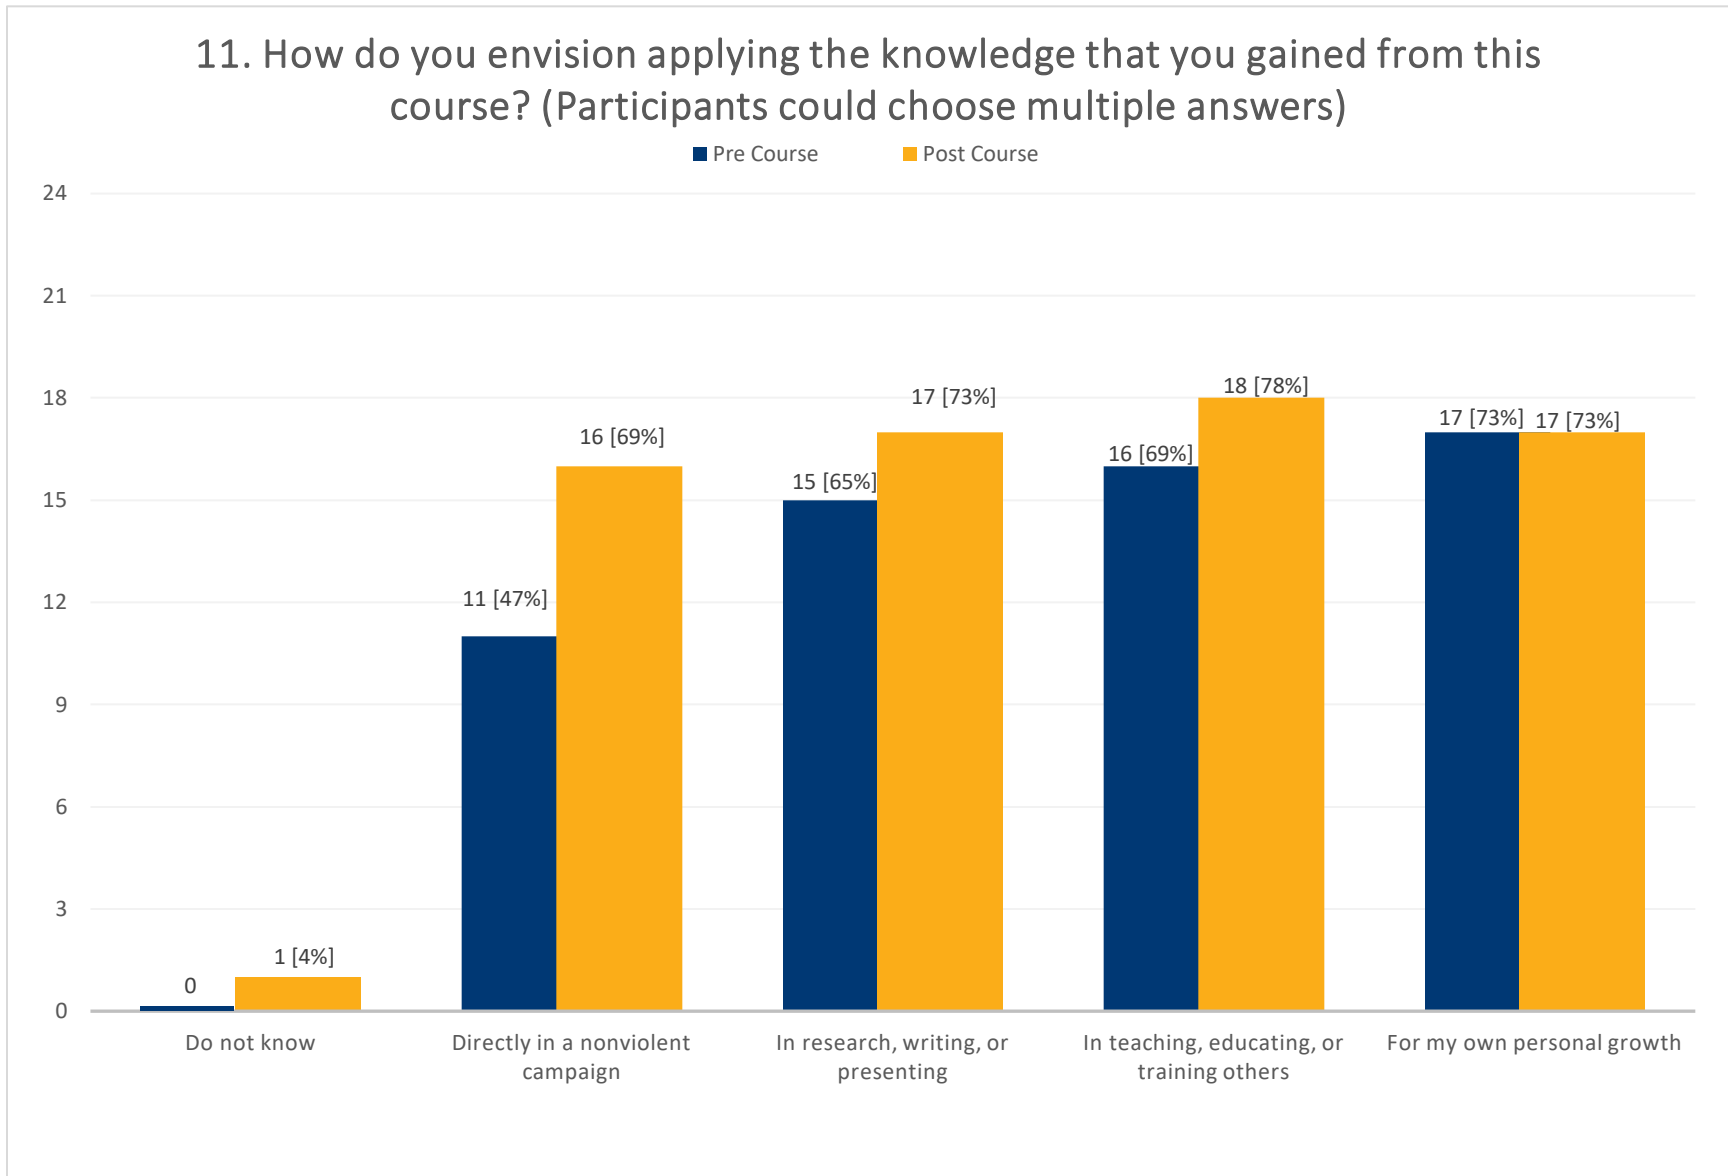

10. How regularly does your campaign/movement hold internal teach-ins/workshops on civil resistance strategy and tactics?

10. After completing the online course, how much more likely are you to hold internal teach-ins/workshops on civil resistance strategy and tactics?

III. Applicability & Relevance

12. What is your level of interest in learning more about civil resistance?

12. Did your level of interest in learning about civil resistance decrease, increase or remain the same after this online course?

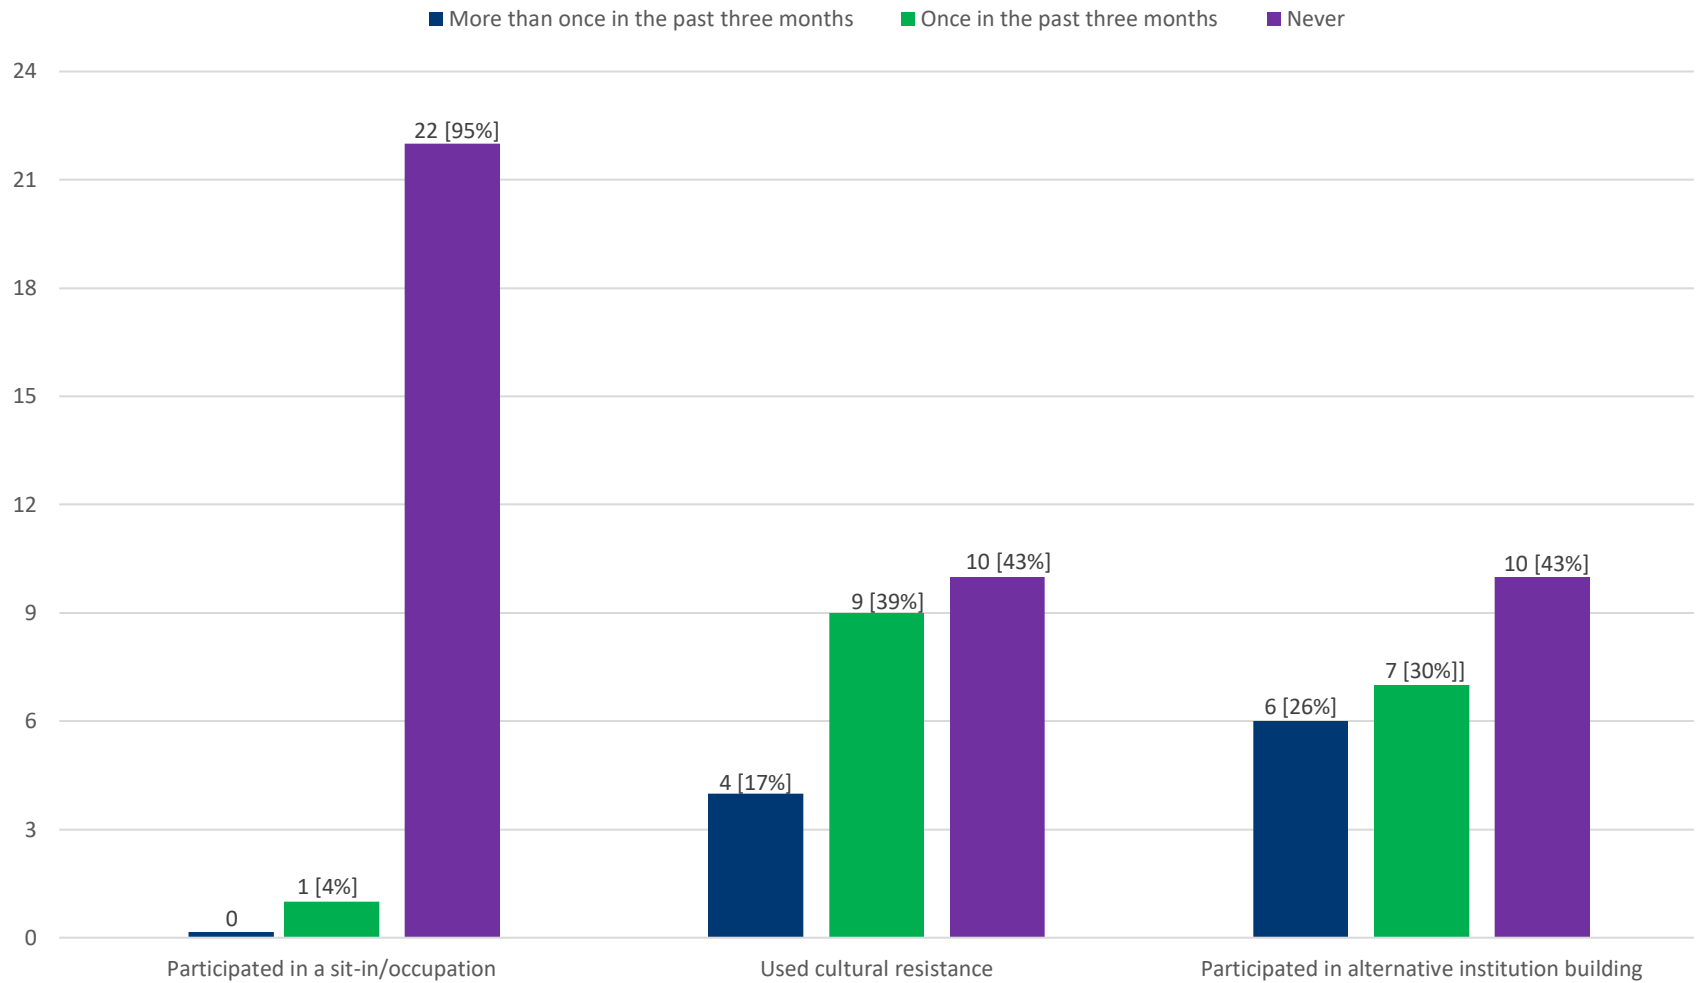

13. What are the three most important outcomes you hope to gain from this course/gained from this course? (Participants could choose multiple answers)

14a. For each of the actions listed below, please indicate if you have personally never done it, if you have done it once, or if you have done it more than once in the past three months [Pre Course Survey]

14b. For each of the actions listed below, please indicate if you have personally never done it, if you have done it once, or if you have done it more than once in the past three months [Pre Course Survey]

14a. After completing the course, please indicate how likely you are to do the actions listed below [Post Course Survey]

14b. After completing the course, please indicate how likely you are to do each of the actions listed below [Post Course Survey]

IV. Civil Resistance Knowledge

15. On the scale below, select the number that best represents your current knowledge of civil resistance or nonviolent movements

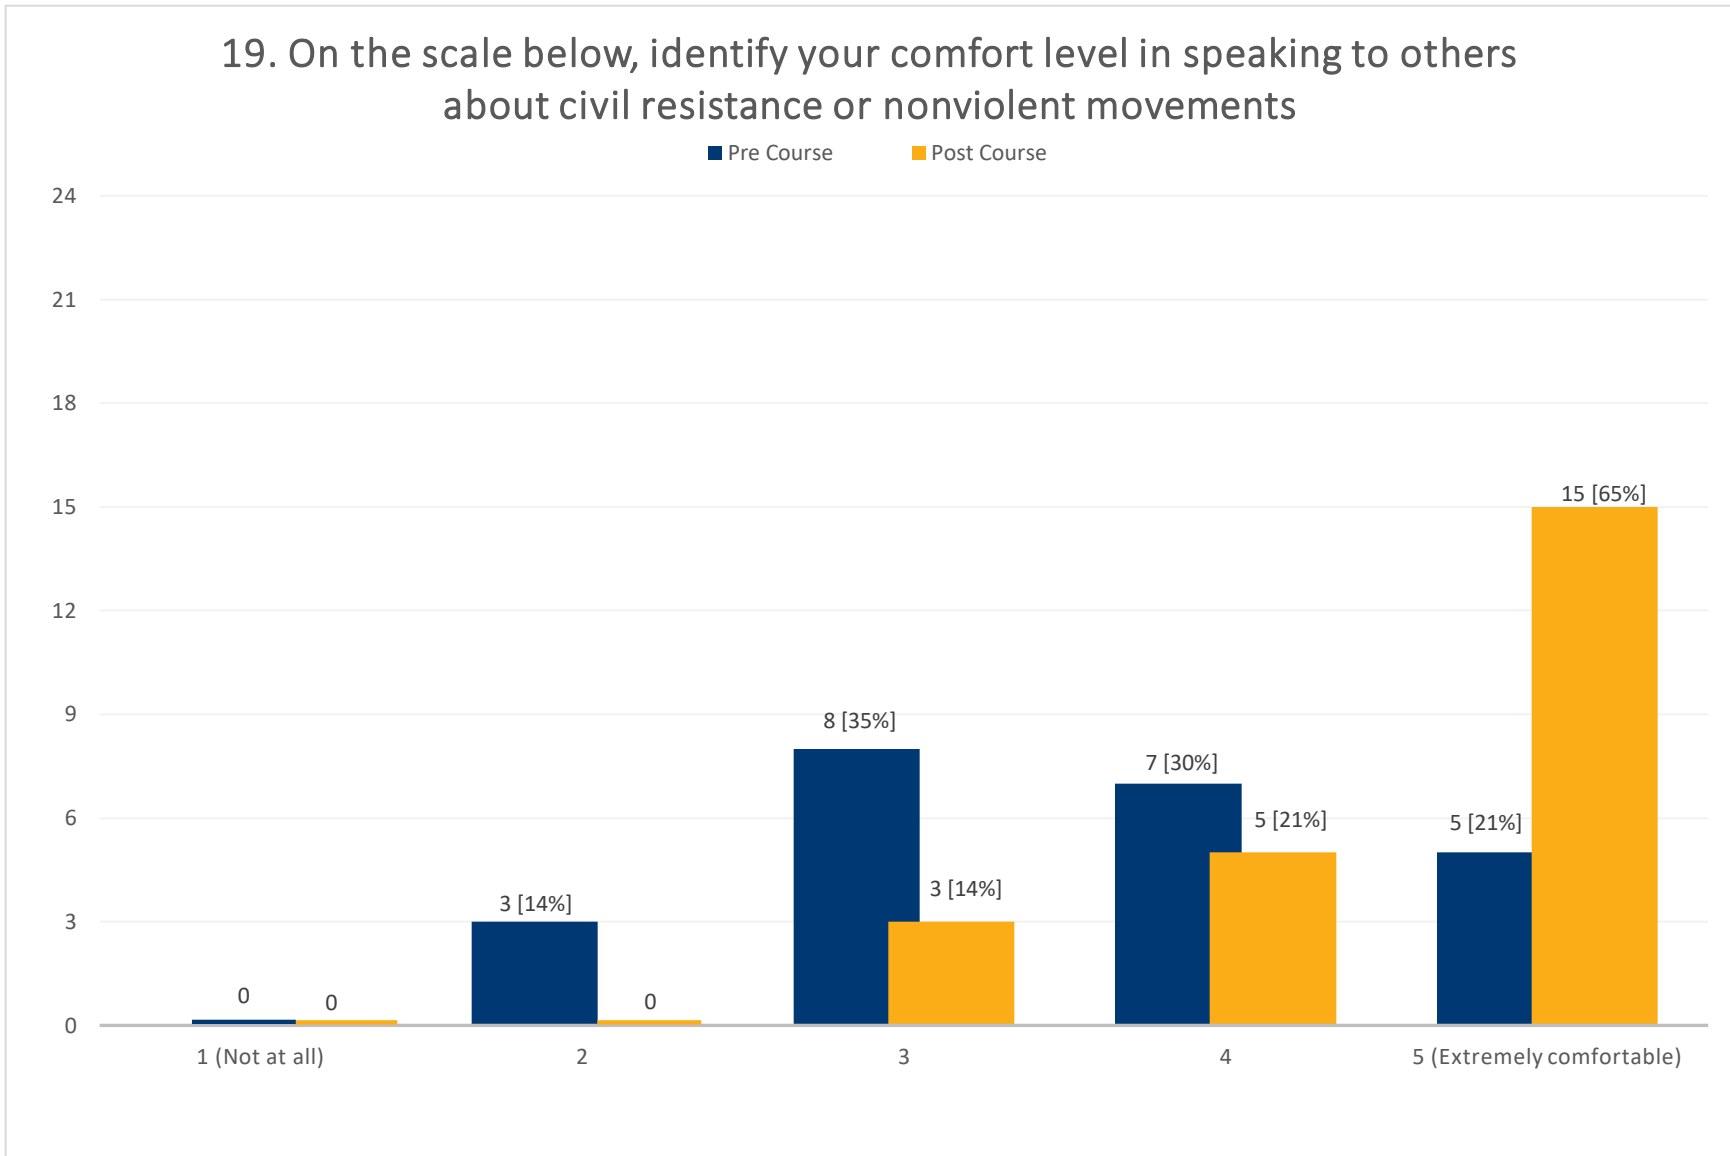

16. How many civil resistance strategies and tactics do you know of?

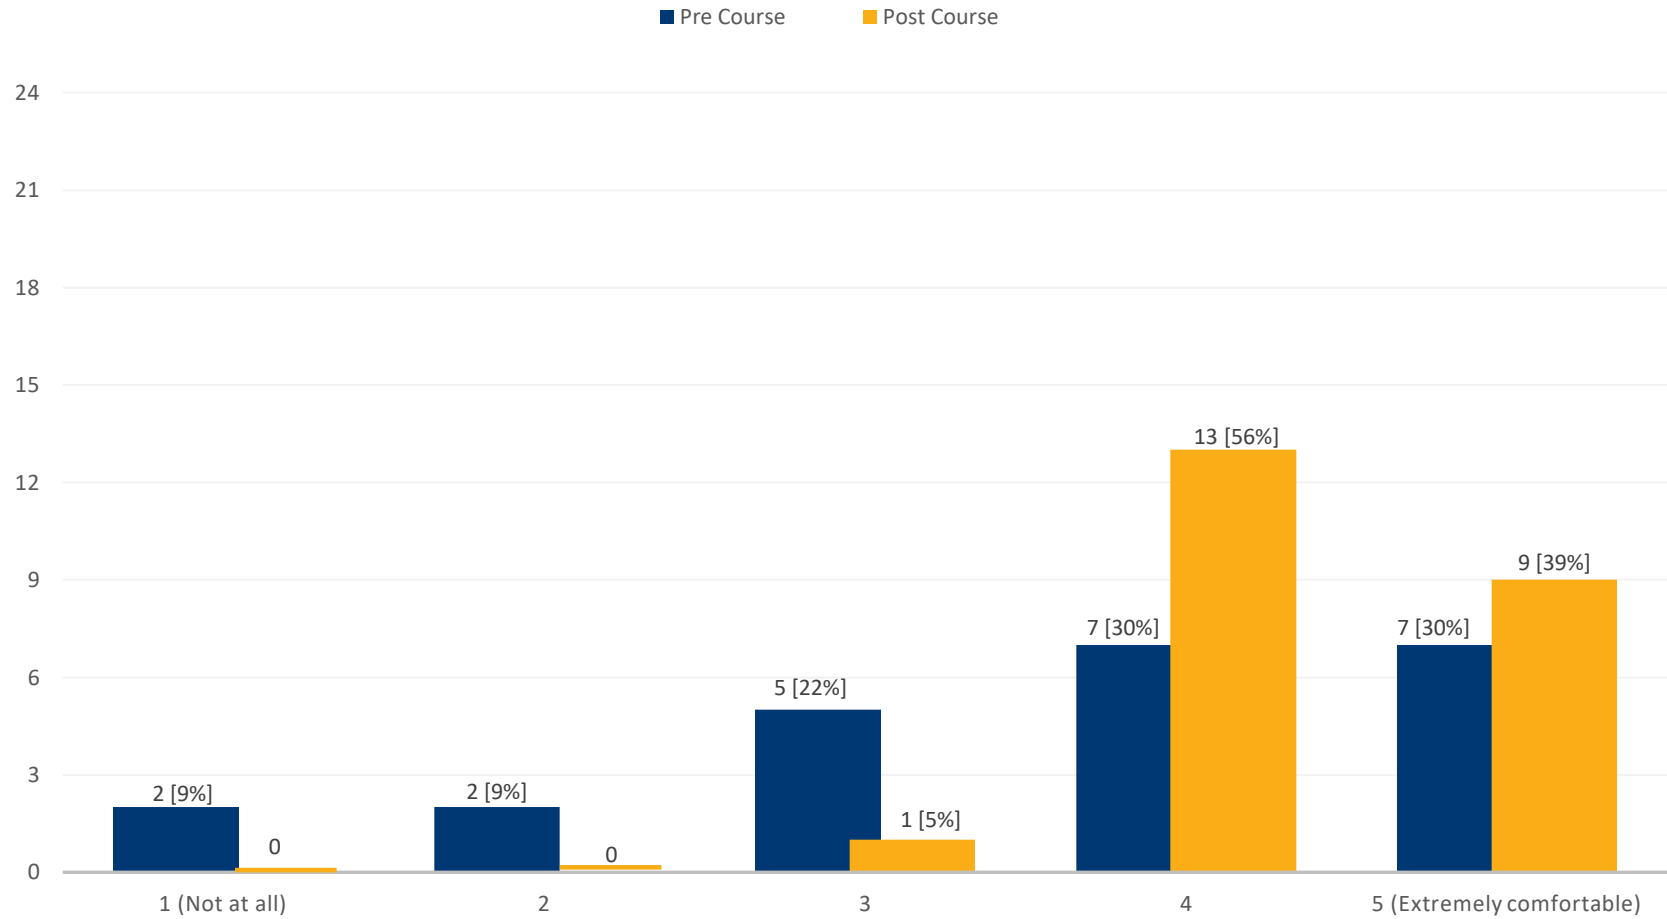

18. How many nonviolent civil resistance movements do you know of?

V. Attitudes/Beliefs about Civil Resistance

20. On the scale below, identify your comfort level in participating in civil resistance campaigns or in a nonviolent movement

21. On the scale below, identify your comfort level in leading civil resistance actions as part of a nonviolent campaign/movement

22. On the scale below, select the number that best represents your view that revolutions against brutal regimes can succeed ONLY if revolutionaries retain the option to use violent means

23. On the scale below, select the number that best represents your view that protests, marches, and demonstrations are the **ONLY** civil resistance methods

24. On the scale below, select the number that best represents your view about how important you think strategic planning is in a successful civil resistance movement

25. On the scale below, select the number that best represents your view about how important you think participation is in a successful civil resistance movement

26. On the scale below, select the number that best represents your view about how important you think nonviolent discipline is in a successful civil resistance movement
